

λ Lunch GALA on Monday the 28th of March

Speakers:

Jason Stagno - NCI/Frederick Structural Basis for Cooperative Recognition of RNA by NusB and NusE during Transcription Antitermination

Nancy Craig - Johns Hopkins School of Medicine Title not available but believed to be about transposition targeting in yeast.

Christal Vitiello - Columbia University College of Physicians & Surgeons - Title not available but will be on Mechanisms of Nun mediated transcription arrest.

David Friedman - University of Michigan Med School A Tale of Two Lambdoid Phage: Expression and Action of 933W Encoded Stk, a Tyrosine Kinase that Excludes Growth of Phage HK97

Sergiei Borukhov - University of Medicine and Dentistry of New Jersey - Transcription Factors Gre and DksA: Mechanism of Action and Target Specificity

Kumaran Ramamurthi - NCI/Bethesda - Cellular architecture determines the ultrastructure of a cell division component

Meeting starts at 9:45 and will last until about 4-5 PM. Three talks in AM and three in PM with lunch about 12:30.

There will also be some slots for posters but less than 20 in all.

If you are planning on attending the Lambda Gala on March 28th, please contact Madeline Knoebel (knoebelm@mail.nih.gov). Also, please let Ms. Knoebel know by the 21st if you plan to partake in a catered buffet lunch that will be available onsite for \$11 a person. Our cafeteria has closed and it will take too long to go out for lunch.

NCI-Frederick is located within the Ft. Detrick U.S. Army facility in Frederick, Maryland. Please be aware that you will be asked to provide Ft. Detrick security with proof of identification, and your vehicle will be briefly searched, before being allowed to enter the facility grounds. Note that there can be a backup at the gate so allow some time here. Below is a link to a map of the NCI-Frederick Campus area and driving directions from the Washington, D.C. area.

Notice: Old Farm Gate is currently the only gate a visitor without DOD permit may use.

Directions from Washington, DC:

- I-270 north to Frederick
- As you approach Frederick, I-270 ends and becomes Rt. 15 north to Frederick/Gettysburg
- Follow Route. 15 North to the Fort Detrick/Rosemont Avenue Exit
- Bear right at the bottom of the ramp onto Rosemont Avenue;

- Follow past Ft Detrick on the right to Old Farm Drive; turn right into the Old Farm Gate;
- Follow through gate to yield sign at 3-way intersection and turn right onto Doughten Drive;
- At the 4-way stop, turn right onto Sultan Drive
- Scientific Library/Conference Center is on the right (Building 549)
- Continue past the building and turn right into large parking lot
